Dear Sir,

I am a Jr. MERN stack developer eager to join CareMetx LLC, bringing proficiency in MongoDB, Express.js, React.js, and Node.js. As a junior MERN stack developer, I have dedicated the past six months to honing my skills in HTML, CSS, JavaScript, React, Express, and MongoDB. I am excited to apply my knowledge and passion for web development to contribute to CareMetx LLC's success. I gained hands-on experience some amazing project in developing and maintaining web applications using the MERN stack . I can devolap a project both individually and as part of a team.

Thank you for considering my application, I am very excited to join your company.

Thank you once again, and I look forward to the opportunity to discuss how I can add value to your team.

Sincerely,

**Oliullah Bhuiyan**
